My dear Dr. Madhava Rao

I am taking the liberty of introducing Mr. S.P.K. Gupta of the Press Trust of India, who has undertaken the task of compiling a biography of the late Dr. Homi Bhabha. In this connection he wishes to interview a number of persons who had known or worked with Dr. Bhabha. I believe he will be seeing you in this context. Please find the time to help him in this venture. With best regards

Yours sincerely

(A.R. GOPAL-AYENGAR)

Write to him informing him about my cataract operation.

Also mention he might have chosen a more worthy person to write a biography about, and that the account in the Biographical Memoirs of the Roy. Soc is ~~the~~ more than what he deserves
