Dear Dr. Madhava Rao,

Thank you for your letter of 23rd instant which clarifies the meaning of University Professor and Professor appearing in the Mysore University Acts of 1933 and 1956. The Civil Lists mention only Professor 2nd and 1st class. Now the meaning is clear.

I shall keep for sometime your enclosure on the Memorandum of Average Emoluments and return the same duly.

Thanking you and wishing you a Happy New Year

Yours Sincerely

R R Umarji.
