Dear Prof. Krishnan:

I have made hotel reservations for you at the Webster Hall Hotel for the nights of Dec. 5th and 6th, provided the hotel strike in Pittsburgh is over by that time. As it appears at this moment, the strike may not be over and the meeting may be postponed to sometime after the first of the year.

If the above dates are the only days when you can be here, why not come on to Pittsburgh, meeting or no meeting. In case of no meeting Mrs. Sidhu and I would like you to stay with us as our guest for the time you are here, visit the educational institutions and the research laboratories in the district, meet the Indian

students who came here recently
and then leave for Cleveland as you
have planned.

Sincerely yours,

S. S. Sichel
