10 KWp SOLAR POWER PLANT
Supplied and installed by
CENTRAL ELECTRONICS LIMITED
Sahibabad (U.P.)
and
inaugurated on April 14, 1993
with the generous financial support of
Ministry of Non-Conventional Energy Sources, Govt. of India
Department of Scientific and Industrial Research, Govt. of India
and
Tamil Nadu Energy Development Agency
This plaque commemorates the 5th year of continuous operation of this 10 KWp Solar Photo Voltaic power plant, a successful example of reliable, uninterrupted and ecologically benign solar power to support the Foundation's goal of promoting sustainable, equitable and ecologically sound agricultural and rural development.
Plaque unveiled
on the occasion of the
International Workshop on Renewable Energy Applications to Plantation and Other Industries
April 10, 1997.
