R.O.C.No.12517 of 39.

Dear Sir,

Dr. K.L. Moudgill, Director of Research in the University, has reported that you will be coming to Madras in the first week of January, 1940, to attend the ensuing session of the Indian Science Congress. I am directed to invite you on behalf of this University, to give a course of lectures here at Trivandrum on "The Magnetic and Optical Properties of Aromatic Molecules." You will be paid First Class Railway fare from Madras to Trivandrum and back and treated as a guest of the University during your stay at Trivandrum.

I shall be glad if you will give me an early reply.

I am, Dear Sir,
Yours faithfully,

P. R. Parameswarar

Dear Dr. Krishnan,

Mr. S. Krishna Iyer has written and told me that it will be possible for you to visit Travancore after the Science Congress Session. I would very much like that the University should invite you to deliver a couple of lectures on any subject that you may - select. I shall be glad to have your views so that I may put up a formal proposal and arrange for an invitation to be sent to you by the University. An early reply will oblige.

With kind regards and greetings.

Yours sincerely,

K.L. Moudgill
