

SIR SHRI RAM

22, CURZON ROAD,
NEW DELHI.

Dated 21st August, 1947.

My dear Dr. Krishnan,

I have been requesting Dr. Bhatnagar and Mr. Mathur repeatedly to request you to get in touch with me if possible on the phone. I also went to your place of residence but found that you had shifted to Sujan Singh Park. I do not know where your office is and what your telephone number is. You seem to have completely forgotten me. I will be extremely grateful if you could ring me up.

With kindest regards,

Yours sincerely,

Shri Ram

(SHRI RAM).

SIR SHRI RAM

22, CURZON ROAD,
NEW DELHI.

Dated 25th April 1946

My dear Dr. Krishna, *~*

I have returned from Bombay last night and I had a talk with Sir Purshotandas, Sir C.B. Mehta, Vice President of the Indian Central Cotton Committee, and Sir C.V. Mehta, a very important member of the I.C.C.C., and all the three being Members of the Selection Committee. I spoke to them about your wishes to do fundamental research. They have no objection to the same. I would suggest that you send your acceptance of their offer, with such conditions as you like, at an early date.

With kindest regards,

Yours sincerely

J. R. Ram
