Dr. M. S. Swaminathan
Director General
IRRI

Dear Dr. Swaminathan

On behalf of the IRRI ECCI Board of Directors and all the members of the IRRI ECCI, I would like to thank you for your very generous donation of ₱30,000.00 to the MSS Scholarship Fund that we set up last December 21, 1987.

Our simple gesture of establishing the Fund was meant to be a fitting expression of our gratitude for all the things that you have done and the genuine concern that you have shown for the welfare of the lower-paid Institute employees. With this very generous personal donation coming from you, the end of your term as our Director General has instead become a new beginning. This amount will greatly facilitate the attainment of the objectives of the MSS Scholarship Fund for the group of Institute employees closest to your heart.

Again, I thank you very much.

Sincerely,

GREGORIO A. REGALADO
Chairman, Board of
Directors
IRRI ECCI
