

Dr Pushpa M Bhargava

5 Feb '95

Dear Dr Niranjani Joshi,

On receipt of your letter Dr Bhargava requested me to reply on his behalf as he was preparing for a meeting in Delhi.

The delay in replying is entirely my fault & I do apologize for it.

About suggesting to Dr Vinod Gaur the proposal for the 'Letter's Journal' he thought it would not be a very good idea. Dr Gaur is likely to drop the suggestion like a hot potato if it has come from Dr Bhargava.

You may recall the 'Valluri correspondence'. Dr Gaur, in fact, was responsible for it.

Thank you for a copy of the paper 'Peopling of India'. Dr Bhargava has gone through it and finds it very interesting, brilliant in parts he said. He may write to Dr Gadgil about it.

Chandana sends you her regards
With warm regards

Yours sincerely
Parvina Joshi
