

SCIENTIFIC ADVISER
MINISTRY OF DEFENCE

New Delhi, 30th September, 1955.

My dear my Madhava Rao,

I am so glad to have your kind letter of 27th September and to know that you would be joining Kirkee on 3rd October. It is fortunate for the IAS and for us to have you in the Defence Science Organisation.

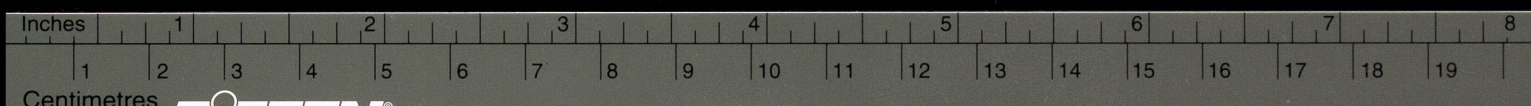

I look forward to your association in our Defence scientific work, and wish you all the best.

With kindest regards,

D. S. Kothari
