

ME AND MY NATION – INDIA

As a young citizen of India

armed with technology and knowledge and love for my nation,

I realize, small aim is a crime.

I will work and sweat for a great vision,

the vision of transforming India,

into a developed nation and economic power with value system.

I am one of the citizens of the billion,

only the vision will ignite the billion souls.

It has entered into me, the ignited soul

compared to any resource, is the most powerful

resource on the earth, above the earth and under the earth.

I will keep the lamp of knowledge, burning

to achieve the vision – Developed India.
