Allahabad University,  
68 Dilkusha, New Katra,  
Allahabad - 211002,  
INDIA.

Dear Dr. Bahadur,

Thank you very much for your interesting  
letter.

Unfortunately I have at the moment no time  
to answer in detail. Therefore I transmit your letter to  
my coworker Dr. A. Babloyantz who will write you in detail.  
I am also sending you under separate cover various recent  
papers on biology.

Best regards,

  
I. Prigogine.
