Dear Mr. Swaminathan,

I deeply regret that the shortage of time prevented me to add my voice to those who paid you ~~more than~~ deserved tribute for your immense contribution to our common cause. There are simply no words to convey the depth of my admiration for the competence, integrity and unimposing authority with which you guided the deliberations of the Council.

Your kind letter gives me some hope that I and my colleagues have contributed a little to the success of your universally appreciated mission.

I wish you, Dr. Swaminathan, all the best.

With best regards,

Yours sincerely,

Milan Trkulja
