## Notice

After the appearance of the 2<sup>nd</sup> part of the Quarto Edition of this work, it was found expedient to remodel it as to size, and consequently it was necessary to reprint the first 50 Plates

The work now appears in its complete state, and of a much more convenient size than the former, the Plates are also coloured, which materially assists the eye in tracing the principle Roads laid down

Subscribers who have purchased the 1<sup>st</sup> or 1<sup>st</sup> & 2<sup>nd</sup> parts of the 4<sup>th</sup> Edition will (upon their making the same known to the Individual from whom procured) have the amount deducted from the complete work
