Dear Dr Kelly,

I have much pleasure in introducing to you Mr J.C.Kapur who is the Director of Air Conditioning Corporation Ltd., Calcutta (India). He is also a member of the committee for the Utilization of Solar Energy of our Council of Scientific & Industrial Research. He will be in the United States from the 8th September, 1959, visiting some of the institutions engaged in the utilization of solar energy. Naturally I would like him to avail himself of this opportunity to visit the Bell Telephone Laboratories too. He will write to you earlier, and if he does so, I shall be glad if you will kindly arrange for his visiting the Bell Laboratories. His address in the United States will be

Mr J.C.Kapur
C/o Messrs Borg Warner International Corporation
York Division,
