Sub: Our M.Sc. Syllabus given to you for comments - Reg

Dear Sir,

During your last visit to this department, I gave you a copy of our syllabus of M.Sc. ecology and environmental Sciences for your comments and suggestions for additions and deletions of various topics in the hard and soft core courses. I hope by now you have gone through its contents and given your comments.

I would very much appreciate if you send me the syllabus with your comments and suggestions so that I can plan for the next Board of Studies meeting. I look forward to hearing from you in this regard.

Thanking you,

Cordially,

(M.VIKRAM REDDY)
PROFESSOR AND HEAD
