My dear Prof. Krishnan,

When we met you  
last at Delhi, you quoted  
certain passages with  
words "Samsāra asāra"  
(संसार असारः) which you  
thought to be Vedic. I would  
like to have their references.

In fact, the word "संसारः"  
(Samsāra) is not Vedic  
in the sense that it does not  
occur in the Rig and  
the other 3 Samhitās. And  
therefore, my doubts.

With best regards,

yours affectionately  
Satya Prakash
