Dear Sir Krishnan,

(on 25.5.1953)

On your last visit, to our above-named Press, you had wished to be informed when "A Catalogue of Sanskrit Manuscripts" in the "Jekhharan Suryaram Desai Collections" (which was, then, under print at our Press), ~~is~~ published by the University of Bombay, was out for sale.

We, therefore, beg to inform you that the printing work of the said book was completed some time back, and the same - we presume - has, since, been put up for sale (@ Rs. 15/2 per copy, as we understand) by the Bombay University authorities.
