Dear Sgt. Venkatasubbiah,

Panditji has received your letter of the 5<sup>th</sup> Feb. He ~~wishes~~ has asked me to write to you that your book 'The Structural Basis of Indian Economy' had reached him in prison and he had looked through it at the time. But he is so full of other work that he cannot read it properly and thus can give no opinion.

He thanks you for having sent the book.

Yours truly

P. Paul
