Sir,

Perhaps you remember that I was working as Technical Assistant in R.M.S. Lab. (of A.E.C.) under Dr. A.S. Bhattacharya. Last month I resigned the job as I was selected for the regular Commission in the Signal Corps of the Army. I am at present undergoing the training here prior to Commissioning. Having seen and led a little of military life I feel that I am a misfit here as that intellectual type is always missing here. I would like therefore to switch back to civil life

I shall be grateful to you if I be fixed up once again ⁱⁿ the laboratory.

Faithfully Yours

I. S. Kapur
