Dear Sir K.S. Krishnan,

Sir Shanti Swarup Bhatnagar had asked me whether the University would permit you to take up the Directorship of the National Physical Laboratory during the summer vacation. I told him that there would be no objection provided the salary from the University is not drawn from the time the Directorship is taken up. Since you are taking it up from June 9, the University will pay your salary upto June 8 only. Of course, it will be necessary for you to put in your appearance in the Department on the day the University re-opens.

Yours sincerely,

Sir K.S. Krishnan, F.R.S.,

New Delhi.
