My dear Krishnan,

I hope you had a comfortable travel and reached Delhi in good health. It seems that the selection Committee will consist of the three station directors of Madras, Bezwada, and Trichy, and T.K.Chidambaram^{Natha} Mudaliar and the information minister of Madras. I had dropped the letter to Sri Parthasarathy the very day you left Madras. Any how, you please contact the Director-General Mr. Sen also and see that my son gets that appointment. He has applied both for Transmission Assistant and Programme Assistant.

It is learnt that the selection will be held very shortly So the matter needs your immediate attention. Though you do not know Mr. Sen personally please try through your friend Mr. Baliga. I have furnished you below with the address he has given in the applications.
