My Dear Prof. Krishnam,

I understand from my friend Mr. Gopalachari that you told him that the selection of candidates for the Canadian post-doctorate fellowships was over. We had the circular received only last week and I immediately applied for it.

Our President Mr. C. R. Ram Panathan, I understand strongly supported me and the application was sent up to the Ministry of Agriculture by yesterday's post. I request you may kindly send your letter either to the Secretary, Ministry of Agriculture or to Mr. C. R. Ram Panathan who will forward the same

to the Ministry. This will
be useful if a final
selection were to be
made by the Canadian
Council itself. I have
excuse me for troubling
you in this connection.

With best regards

Yours respectfully,

AP Purushotham

Sri. K. S. Krishnan
