Dear *Dr Swaminathan*

I was most pleased to receive your letter of 8 November and much appreciated the warm words expressed therein.

I still vividly remember your kindness when I started as Executive Secretary of TAC at the meeting which you chaired at IRRI in 1976.

I am sure that we shall have further opportunities for collaboration, and in the meantime I wish you and your family health and happiness, and satisfaction in your endeavours.

With warmest regards

Yours sincerely,

P.J. Mahler
