Dr. M.S. Swaminathan,  
Head of Botany Division,  
Indian Agricultural Research Institute,  
New Delhi-12.

My dear Swaminathan,

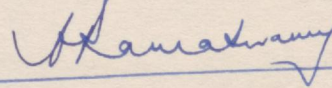

After our telephonic conversation in Delhi I tried to contact you on the evenings of the 19th and 20th of March but, as you were not available at home and as I had to leave Delhi soon after, a meeting with you could not materialize.

I am now the General Manager of this Company and I am based at Poona but occasionally I do come to Delhi. I shall write to you before I come there next, so that a convenient time to meet you can be fixed.

Kindly convey my compliments to your brothers when you write them next.

With all good wishes,

Yours sincerely,

(V. Ramaswamy)
