Dear Dr. Bahadur:

Enjoyed very much meeting and talking with you at the conference in Glasgow. Hope that you enjoyed the conference as much as I did, even though the Scots do not know much about vegetarian cooking.

I would appreciate it if you would send me reprints of your articles on Jewanu and keep me informed of your progress. If you plan to be in this country (the International Clay Conference is in Denver in 1985), please plan to visit me in Denver.

Sincerely yours,

Dr. Dennis D. Eberl
