Dear Prof. Bahadur,

Your research paper index no. A/B 142-11-85 entitled "Mechanism of photoytic -- anoxygenic Conditions" has been sent to the press for printing. Proof of the paper is not being sent to you as we are trying to be up-to-date. That being so, kindly intimate immediately to us as to how many reprints you shall need. In case your reply is not received within a fortnight, only 25 reprints supplied free of cost will be printed. Your kind cooperation is solicited.

Thanking you and with kind regards,

Yours sincerely

M.S. Sinha
