To the President
and the Members of the Executive Committee of I. U. Crystallography

I propose inserting the enclosed notice in Acta. There is no precedent for obituary notices, and my own feeling is that they should be given in Acta only on rare occasions. I have therefore asked Dr. Wyckoff to word this notice as coming from the Executive Committee of the Union. I hope you will find this appropriate. In case you wish the notice not to appear in the name of the Executive Committee, please send Dr. R. C. Evans a wire to hold it up.

Sincerely,

P. P. Ewald.
