4 APR 1953

Dear Sir:

Please find enclosed two numbers of a newly appearing journal for lectors of the German language. The journal is edited by the Chairman of the "India Institute" in Munich, Dr. Franz Thierfelder. Its aim is to help the work of teachers of German and to strengthen the contacts between them.

I should be very grateful if you would kindly let me know whether you would be interested in having this journal sent to you regularly.

Yours sincerely,

Dr. H. Heimsoeth

DNPL

To the Director,
National Physical Laboratory of India,
Hill Side Road,
New Delhi.
