SV Varsity Adopts U.G.C. Pay Scales

From Our Correspondent

TIRUPATI, June 27.

The Syndicate of Sri Venkateswara University has resolved to adopt the revised scales of pay for its teachers with effect from April 1, 1961. However they would not be given the dearness allowance with the adoption of these scales.

As in the Second Plan period, the difference in pay as between the present scales and the new revised scales of pay is to be paid as allowance so long as U.G.C's assistance is available. The actual pay of the teachers is to be fixed as per the conditions in the communication of the University Grants Commission.

The University Grants Commission, at its meeting in March, decided that University-appointed teachers in State universities, if desired by the university concerned, be placed in the following scales of pay with effect from April 1, 1961, on condition that the State Government——University contributed 20 per cent of the increased expenditure:

Professor: Rs. 1,000-50-1,500; Reader: Rs. 700-40-1,000 and Lecturer: Rs. 400-30-640-EB-40-800.

The Commission will share 80 per cent of the difference between the existing scales of pay of the University (which are equal to or higher than the grades prescribed by the Commission under the Second Plan) or scales of pay as last revised under the UGC's scheme and the new scales upto the end of the Third Plan period. The assistance will cease at the end of the Third Plan period, irrespective of the date of implementation in any particular case.

FIXATION BASIS ..

The pay of the teachers shall be fixed on the following basis:

1. In fixing the pay of university teachers in the new scale, the teachers are to be placed at the next higher stage in the new scale after taking into account their present emoluments i.e., basic pay plus dearness allowance.

2. Future increments of teachers whose pay will be fixed under the new scales as on April 1, 1961, will fall on April 1, every year subject to postponement due to leave, etc.

The revised scales of pay will not be admissible to the following categories of teachers:

1. Government servants on deputation to the university who are not under the full administrative control and discipline of the university.

2. Superannuated Government servants, if any, re-employed in the university. Their salaries are to be fixed under Government rules keeping in view the salaries last drawn by them and the pension payable to them.

FREE STUDENTSHIPS

In reply to the recommendations of the UGC, the Syndicate has stated that at present free studentships were provided by the affiliated colleges and compensated for by Government within the limits fixed by the education rules and in the university college also, a few scholarships were being given without any compensation from Government. But it would not be possible to increase them to the proportion recommended by the UGC without financial assistance.

The UGC, in a communication to all universities, had recommended that colleges and universities should provide free studentships at least to the extent of 25 per cent of the total enrolment of women and 20 per cent of the total enrolment of men on the basis of both need and merit.

NEW APPOINTMENTS ..

The following appointments have been made in the S.V. University:

Dr. V.P. Singh (Professor of Hindi); Dr. B. Krishnamurthy and Mr. T. Kothandaramiah, (Readers in Telugu); Dr. I.M. Rao (Professor of Botany), Dr. V.S. Ramados, (Reader of Botany), Dr. E.R. Krishna Sarma (Reader in Sanskrit) and Major S. Parthasarathy (Professor of Psychology).
