The use by non-university users is also picking up.

For the post of Operations Manager, who will carry the overall responsibility for day-to-day working of the Centre, We are looking for a mature person with extensive managerial experience; we could consider, if these circumstances so desire, taking a person on deputation/foreign service terms from another Central/State organisation.

I am enclosing herewith an application blank which may be filled in by the interested person and returned to us alongwith a bank draft or crossed Indian Postal Order of Rs. 7.50 in favour of the Registrar B.H.U. towards the application fee.
