

Flat No. 11 Tulsihar

Bombay 2/6/48

My dear Krishna Dnyegan.

I have taken leave for four months from the 25th May. I am leaving Bombay tonight for Poona and leaving Poona tomorrow afternoon for Bangalore. I propose to spend a month at Coimbatore and the remaining portion of my leave at Kuttalam. I shall be ~~be~~ paying a visit to Watrap where my brother-in-law Mr Lakshmanan has settled down after retirement. I shall then go to your house there. I will not be staying at Bangalore for more than a day or two and have written to Rao Bahadur Dhanraj to put me up. I am going home with my wife and last child. My other children will be here - I was hoping that I would have the pleasure of meeting you again before leaving Bombay. In any case please stay in my flat when you come here next. Sundaram & my daughter-in-law Mrs Sastri will look after you comfortably (there is also a cook now)

Dr L. Ad + S. P. V. ~~had~~ had been on tour and were expected to return to Poona today. I hope I shall be able to meet them. Dr KRR was kind enough

to reserve a combination for me from Poona
to Bangalore (by the T.S.M.). I will meet him
tomorrow. He is expected here on the 4th June
and will be leaving by the T.W.A. on the 8th June.

I am enclosing a statement of my
qualifications which you may use in any way you
think fit. I am quite sick of my present job -
~~and~~ ~~and~~ I hope that you will be able to get
me out of the present office which is thoroughly
demoralised - I want to regain some self-
respect - I shall be extremely grateful if you can
get me the post of Cont. of Patents. The only
alternative appears to me to apply for retire-
ment after ^{one or} three years -

I trust that you, ~~the~~ Lady & family
are doing well -

With kindest regards,

Yours affly
