My dear Prof Krishnan,

5 FEB 1952

I have been informed by the Principal of my college that a research grant of Rs 375/- has been made to me by the U.P. Research Grants Committee. I am extremely thankful to you for the trouble you took in recommending my case for the same. I now wish to consult you with regard to the line of work I should start. We are about to have the B.Sc and M.Sc. Practical examinations during the next three weeks and I shall take the earliest opportunity to meet you at Delhi when I am free.

I learn from the papers that you are leaving for Australia to join certain conferences there. I convey to you my best wishes for a happy journey to and from Australia and a successful and fruitful discussion there. Looking forward at the pleasure of meeting you after your return and with sincere good wishes.

Address. Dayanivas,
Sotiganj Meerut.

I am,
yours sincerely
