Dear Dr. Krishnan,

Since my departure from Patiala in December 1944 I am not able to re-establish my connections with the National Academy of Sciences. I tried again + again to contact the leading members of the Academy but in vain. I should like to be informed about the payments that I am owing to it. I should like to get again the proceedings of the invitations to the Meetings.

I would be extremely grateful to you, if you would take matters into your hands. With the sincere hope to meet you in Delhi at the Science Congress

Yours sincerely

Dr. G. Politzer
