

Ky dieu Paudurany.

Appaji went to Gandhi Book House on 12th evening
and left a note for Sri S. Bahuguna ji. Promptly
yesterday morning Sri SB rang up. He agreed to come over
in the evening - but wanted to ring me up
before 2.30 PM to confirm. I waited for his call till
2.45 pm then left along with Uma to her
Dentist. Still I asked Appaji to take a chance on his
way home. He went there at 4.45 PM to his
told Sri SB was not in. I reached back at 6.15 PM
& Appaji followed. He was disappointed. I
was so tired that I decided to cook only one
for us and eat it with curd & pickle. Which
I cooked and came back to relax. Then walk
you with Sri SB and a Bangali boy (his
birthday was yesterday). It appears he was waiting
for Appaji & could not contact me over the phone.
I asked him to have dinner which he agreed
so spontaneously. I also asked him to tell me
ask what he ate as I remembered you telling
me that he did not eat any cooked food etc.
He said of lathi he had been eating vegetables
& lentils - no rice - no wheat. Believe me
the same one who was just not in a mood
to cook anything - managed to cook well
a dal two vegetables - raita salad. Well
the dinner turned out alright all this in
half an hour. His message and experience
we heard him - his message - Paudurany
All this time he had been saying - Paudurany
made me feel 30 yrs younger. His joy was real.
Paudurany I felt and also shared it with him
that it reminded me about that feeling
of Sri Ramakrishna Paramahansa or beholding
Vivekananda. This appreciation of you from
the person who inspired you - not only inspired
you - helped you to translate his message into
action is something so marvellous - tremendous.
