1-chome, Shiba Tamura-cho, Minato-ku, Tokyo, Japan
Cable Address: "JATOMFORUM TOKYO"

Dr. K.S. Krishnan
Director, National Physical
Laboratory,
New Delhi, India

March 1, 1957

Dear Sir:

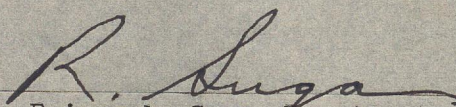

The Atomic Industrial Forums of Japan and the United States of America will hold a conference on peaceful uses of atomic energy, during the week beginning May 13, under the co-sponsorship of both Forums, in accordance with the preliminary program attached herewith.

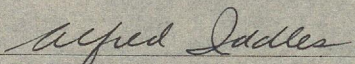

The main objective of this conference will be the exchange of experience in and knowledge on the peaceful uses of atomic energy by the participants, and for the promotion of development of atomic energy through international cooperation by industrialists, scientists, educators and governments. Such development, under the impetus of individual enterprise, will contribute significantly to the enhancement of standards of living and improvement of the general welfare of peoples of the world.

The members of both Forums are entitled to participate in this conference, but industrialists, scientists and educators of the neighboring countries are also welcome and are, by this letter, invited to attend this conference as observers. It is our belief, and earnest hope, that you will learn much from the talks which will be made and the discussions which will grow out of this meeting, and we hope, therefore, that you will be able to attend.

We shall be much obliged if you would send your reply by the enclosed card, if you wish to attend the conference, not later than the 10th of April.

Sincerely yours,

Reinosuke Suga, President
Japan Atomic Industrial Forum, Inc.

Alfred Iddles, President
Atomic Industrial Forum, Inc.

Cable Address: "JATOMFORUM TOKYO"

April 3, 1957

Dr. K.S. Krishnan
Director, National Physical
Laboratory,
New Delhi, India

Dear Sir:

We are happy to write you again of the U.S.-Japan Joint Conference on the peaceful uses of atomic energy, which is scheduled to be held starting on the 13th of May.

The following are detailed data of the contents of the Conference and the Post-Conference field-inspection and sightseeing tours which have been prepared for your convenience in addition to those previously mailed to you with the Invitation letter:

1. Advance Program of the Conference separate mail
2. Booklet for Field-Inspection.....enclosed herewith
3. Guide (pamphlets) to the places to be inspected...separate mail
4. Booklet for Sightseeingenclosed herewith
5. "Your Guide to Japan"enclosed herewith

Since the month of May is one of the most comfortable months of spring season and also the national tour season of Japan, it is necessary for a traveler to make early arrangements in anticipation of the crowded conditions of hotels and transportation facilities.

Accordingly if you plan to attend the Conference, we recommend that you mail your application cards, for the field inspection and sightseeing tours, which are attached to the enclosed booklets, as early as possible, preferably with the card indicating your attendance at the Conference.

Yours very truly,

For the Office of the U.S.-Japan Joint Conference

S. Hashimoto

Seinosuke Hashimoto
Secretary General
Japan Atomic Industrial Forum, Inc.
