

Date: 1st June 2010.

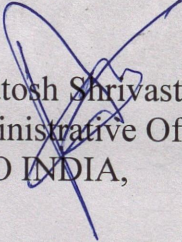

Dear Sir / Madam,

AIRO is inviting research papers for our coming National and International Journal publication in the various fields of Engineering & Technologies, Art, Commerce, Science, Literature, Life Science, Physical Science, IT and Management etc.

You are requested to send you research papers with some formalities mentioned in our registration form.

Process: After receiving the registration form along with the research paper and registration fee, our RAC (Research Analysis Committee) scrutinize and finalize the papers for publication. Before this process candidates are given the acknowledgement of their application and if any amendment is required it is also informed. After the selection of paper AIRO provides the acceptance letter before publication. AIRO honors certificate to all candidates, whose research Papers are selected for Journal Publication.

Last Date of Submission: 19th August, 2010
