Respected Sir,

Dt. 31st May, 1988.

Kindly accept my hearty congratulations for yet another global honour conferred on you recently. I wish you sound health and long life and many more years of service to the humanity.

Hope Sir, you remember me. I served with you in ICAR and Planning Commission. In my case it is my misfortune that I am devoid of opportunities for honest and sincere work. I am spending my days quietly in my home at Belgaum. I always remember those days which I spent in your association and which were very much cherished by me. Perhaps this is the only reward of my life.

With best wishes to you & family

Sd/- Yours
