

13<sup>th</sup> December 2006

Dear Prof Balram,

We, once again, thank you for accepting our invitation to be the Chief guest for our college day which will be held on Saturday the 6<sup>th</sup> January 2007. The formal invitation is enclosed.

We have already sent you a packet containing Prospectus, College Day Report, Magazine, 'E' prospectus etc. If need be, we will mail you another set.

We have also enclosed a few extra copies of the College Day invitation for distributing the same to your friends and well wishers.

A minute to minute programme has been chalked out and sent herewith for your ready reference. We hope it suits your convenience and you will be able to reach Vidyashala comfortably around 9.30 am on that day.

Please send us your bio-data with your photograph for display on our school notice board.

We shall be obliged if you could inform us about your exact time of arrival from Bangalore. We will also arrange to receive you at the city entrance (tollgate), if that helps you to reach Vidyashala easily.

With regards and best wishes,

Yours in the Lord,

(Swami Muktidananda)

26<sup>th</sup> February 2009

Dear Dr N V Joshiji,

Our hearty greetings to you.

We duly received the beautiful book 'Indian Institute of Science Campus: A Botanists Delight' by K Shankar Rao. Thank you very much for remembering us and sending the book so kindly and promptly. Since we have got a botanical garden of our own this book will serve as an authentic reference book and very useful to us in many ways. The quality of the pictures is of a very high standard and the information given is precise.

We also thought of bringing out a book like this displaying our floral wealth. But because of the cost factor we have now made it into a CD through a students' project. Quite a good number of plants figured in the book are also in Vidyashala premises.

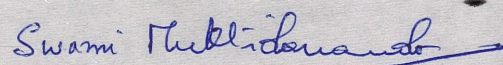

As you may be knowing that our College Day celebrations held in December 2008 went off very well and Mr. Madhavan Nair was the chief guest of this function.

Please do visit us whenever it is convenient to you.

Hope the centenary celebrations of IISC went off very well with all the grandeur.

With best wishes,

Yours affectionately,

  
(Swami Muktidananda)
