On hearing from you

I will advise Ch. Prayman
to draft the applications
as per your advice.

Why today the heat
shows signs of abating -
with a cool N.E. breeze.

With sincerest respects

Dear and Beloved Sir,

Your kind letter from
Coly. We hope you thoroughly enjoyed
the season and as usual, you
renewed old contacts & friendships.

We were eagerly waiting
for you return to Bombay & convey
the good news that my second
son Ch. Narayanambrami (the
young rowdy of old days - how
time flies!!!) has passed his
MSc. in subjects in Physics -
special subject Wireless. He
secured a 2nd Division.

Information is to hand
from Mrs. Belli. & say that

when 4 young men now working
in the National Physics
Laboratory will proceed to foreign
parts on scholarship in July-end
or August there will be scope
for Ch. e. n. n., there. The
person to be approached
is Dr. U.S. Arghavan.

So can we request you
to do us the favour of
writing to him suitably?

Ch. Narayanambrami
