Dr. "Subami"

You were a perfect delight to
work with for the March 24th
news conference. You were so tired
from jet lag - but you paid me
such respect with your willingness
to learn. You and your work have
my utmost respect. Susan

Susan Peterson Productions Inc.

Communicatus Extraordinarius

presented to

Dr. M.S. Swaminathan

In recognition of achievement and excellence.

Susan Peterson

March 1992
