LONDON, W.1.

15th May 1956

Sir K. S. Krishnan, F.R.S.,
Director,
National Physical Laboratory of India,
Hillside Road,
NEW DELHI-12.

Dear Professor Krishnan,

I am delighted to have your letter of May 10th. It is good of you to allow us to honour you with a small reception. I am at once getting into touch with Dr. Krishna. He will no doubt write to you himself, but as soon as anything is arranged, I shall do so also.

We are looking forward very much to seeing you again.

Yours sincerely,

Esther Simpson
Assistant Secretary
