Dear Mr Uthaman,

I introduce myself as a fellow birdwatcher and member of the Madras Naturalists' Society. In vol. 7 no. 1 of their newsletter, BLACKBUCK, I have read your paper THE BIRDLIFE OF KADALUNDI ESTUARY with great interest.

In the References section at the end of the paper, the following reference is of some interest to me. I would be very grateful if you could send me a Xerox copy of this paper and bill me the charges, which I will be glad to pay.

Gaston, A J (1979): Birds observed at Cheruthuruthy. JOURNAL OF THE KERALA NATURAL HISTORY SOCIETY. Vol. II, pp. 27-30.

Also, what is the address of the Kerala Nat. Hist. Soc.? I would like to correspond with them and subscribe to their journal.

I am sorry to trouble you thus, but I repeat, that I'll be extremely grateful for the information.

Thanking You

Sincerely,

AASHEESH PITTIE

Dear Mr Uthaman,

I am extremely grateful for the Xerox of Gaston's paper you sent across to Coimbatore with Santharam. He displayed some of your breath-taking slides in his talk on woodpeckers. I must congratulate you on their quality and indeed, rarity!

If there is anything I can do from here to reciprocate your cooperation, do tell me.

Thanking you once again,

Yours sincerely,
