Dear Dr. Madhava Rao,  
It was extremely  
kind of you to give your opinion and review  
of my book on Quantum Mechanics in the  
"Current Science". I am in the throes of  
examination work just now, and shall  
write in detail later.

I am enclosing two papers by Mr.  
Munabkshi Sundaram, ~~also~~ of the Madras  
University. He has done quite good work,  
and I hope you will find it possible  
to publish these papers in the proceedings  
of the Academy. Please print the paper  
on parabolic equations first.

With kindest regards,

Yours sincerely,  
M. L. Siddiqui
