Dear Mr Nakai:

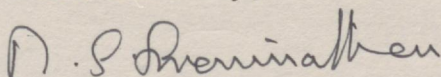

Sub: Letter from a Honda Prize Winner

I hope my letter of February 13, 1993 was useful to you. I shall be grateful if the honorarium of USD 3000/- could be sent in the name of M.S. Swaminathan Research Foundation, Madras. Our Account No. is 158 with State Bank of India, Anna University Branch, Madras.

We had a very nice ceremony for the dedication of our building and the Soichiro Honda Hall. Prof Kenzo Hemmi represented the Foundation. I enclose a brochure which gives information on the building.

With warm regards,

Yours sincerely,

M.S. Swaminathan
