Dear Shri Srikantan

You have been associated with SAMEER in its plastic years and have made valuable contributions to the development of SAMEER. You have brought SAMEER to a stage where it can look for a smooth take off. You had been generous with your time and talent in building SAMEER. We would not like to cause strain to you further.

As you are aware, in the light of the loan ICICI has extended to SAMEER, it has become necessary to reconstitute the SAMEER Governing Council. Accordingly, we are reconstituting the SAMEER Governing Council. I tried to contact you on phone before issuing formal orders, but, I could not succeed in contacting you.

I would like to place on record our appreciation of the excellent work you did as the Chairman of the Governing Council of SAMEER and the contributions you made in the development of SAMEER.

With regards,

Yours sincerely,

(N Vittal)
