Dear Dr. Krishnan,

Myself and my son

Ramakrishnan whose ~~I brought~~ accompanied me to this place in order that he may have the chance of being introduced by me to you, are constrained to leave for Delhi today. Sir

Radhakrishnan must have written to you about him. You will kindly give the best consideration to his letter of introduction. If there is any chance of your going over to Delhi I would like to have the opportunity of meeting you and having a talk about my son.
