Dear Dr. Krishnan,

Of course, to you who has drunk
deep at the very source in Sanskrit,
what I am sending would be *मान्य*
उपनिषद् सन्तः सिद्धान्त as the Geeta puts
it.

But your love of the Upanishats
has made me send you this humble attempt
of mine in English to popularise the
teachings of the Upanishats.

Yours sincerely,

(R.R. Diwakar)
