MOST URGENT

Dr.K.S.Krishnan, D.Sc., F.R.S.,
Director,
National Physical Laboratory of India,
Hillside Road,
P.O.Pusa, New Delhi.

Dear Sir,

I understand from Prof.K.Banerjee that you have kindly agreed to contribute a very important paper for the Symposium on PHYSICS OF SOLID STATE provided we can print it very soon. If you kindly send the paper immediately to me, I shall get it printed in Part I, Section A of Proceedings for 1956 which is practically ready. The reprints will be distributed at the time of the Symposium and the Proceeding containing you paper will be circulated early in January 1956 after the Symposium. I hope this arrangement will meet your approval and you will please send the paper immediately.

We have not yet received your article for the Silver Jubilee Souvenir. I hope you will kindly send the same immediately as we can not pass on the other material to the press for the want of your article.

Yours faithfully

S. P. Mitra
