January 17, 1992

Dear Sir,

As a part of the training programme our 19 students comprising 15 foreign nationals (13 males + 2 females) and 4 Indians will be on their study tour in Bangalore from February 23-26, 1992. I shall be their teacher guide. The study tour programme includes the visit of our students to your Institute on February 26, 1992. Our Director Professor K. Srinivasan will write to Professor Madhav Gadgil, Chairman, Centre for Ecological Sciences of your Institute to arrange a lecture programme for the benefit of our students and to apprise them with the activities of the Centre. In fact, last year Professor Gadgil had kindly arranged a programme for our students and gave an interesting and very educative lecture on 'Population Pressure on India's Resource Base'. We do hope that similar facility would be extended to us this year as well.

As per our programme, we will be arriving Bangalore in the morning of February 23, 1992. We need accommodation from February 23-26, 1992. I came to know from my colleague Mr. B.N. Gurjar, Administrative Officer at the Institute that you have an excellent guest house/hostel for International students. I, therefore, request you to kindly reserve 20 single seated rooms in your guest house/hostel for the said period of our stay in Bangalore. A few rooms may be doubled if the situation warrants. Kindly make it convenient to confirm the availability of accommodation and also the room charges. We shall be glad to remit accommodation charges in advance if required.

Looking forward to hearing from you soon.

With kind regards,

Yours sincerely,

*Sd/-*

(P.C. Saxena, Ph.D.)  
Professor and Head  
Dept. of Mathematical  
Demography & Statistics

c.c. to: Prof. Madhav Gadgil  
Chairman, Centre for
