Dear Aasheesh,

I was listening to the Nat Hist Net.  
I am working on the Indian Peregrine Falcon in Sri Lanka since 1995. Can  
you please send me sight recording from India from last last few year  
years.

Thank you in advance

Dear Mr Doettlinger,

Thanks for your email regarding records of Peregrine Falcon from India.

I have a few records from Andhra Pradesh state, which I will be able to send you only after a couple of months. They are on a software package which has crashed a few days ago and I have ordered another copy. Please bear with me.

The List of birds posted to the Nathistory group is from the 6 southern states of India, and is about a year old. You could browse these on the archive of this group.

I am attaching a list of references on the Peregrine, from my database, for your use. I hope it is of help.

Dear Aasheesh,

Thank you very much for your message, I am very grateful to you especially for your reference list.

On your list there are some new references to me. Especially those from NLBW, which i do not know,

Which Journal is it? I have most references from the JBNHS or Ibis and Stray Feathers.

You helped me quite a lot with this references.

If am finished with my work I will send you my complete bibliography on the Shaheen Falcon if you are interested.

I will start with my field trip to Sri Lanka in a few weeks so there is no rush for sending me your records. I can wait.

Again thank your very much for your help

Best wishes and regards

Hermann Döttlinger
